

Jose Antonio Grifols Lucas Foundation Community Enhancement Grant Application and Guidelines

The following charitable donation guidelines (the “Guidelines”) are designed to ensure that financial or in-kind donations of the Jose Antonio Grifols Lucas Foundation (the “Foundation”) are aligned with the mission of the Foundation. Foundation support is generally intended for civic, social or educational programs that address the immediate needs of the communities where Grifols facilities exist. Donations are made with the goal of strengthening community bonds and supporting the needs of the community.

ELIGIBILITY CRITERIA:

In determining eligibility for approving a grant, the Foundation will consider a request from an organization that meets the following criteria:

- Organizations that are charitable civic, social, or educational non-governmental organization (NGO) with a philanthropic purpose or public educational institution under the Internal Revenue Service Tax code § 501(c)(3) revenue codes § 509(a)(1) – 509(a)(4), 509(a), or § 4942(j)(3), or secular educational institutions that are not formally affiliated with a religious institution.
- Aims to address objectives such as creating positive change and sustainable growth by meeting local community needs. Examples include:
 - Working to end homelessness and creating opportunities for residents;
 - Enhancing programs that improve the overall quality of life such as addressing food security and supporting crisis intervention programs;
 - Advancing educational initiatives that provide additional support and resources beyond traditional classroom instruction such as mentoring and vocational skills development; and
 - Improving the natural environment by promoting sustainability, local park development, and educational programs to raise awareness about environmental issues.
- Directly impacts or benefits communities where Grifols has an office or plasma donation center.
- Is not healthcare related, a medical grant or patient organization grant request.
- Organizations seeking consideration from the Foundation may apply once a year for two (2) consecutive years. After submitting an Application for two (2) consecutive years, an organization must wait one (1) year before once again submitting another Application.

Grifols will not support grant requests that are submitted by:

- Organizations requesting payment to individuals rather than organizations.
- A Grifols customer, patient or other related entity where there may be the potential for the appearance of self-interest.
- Healthcare related organizations, interpreted broadly to include any request that concerns, directly or indirectly, the prevention, diagnosis, treatment, and management of diseases, the preservation of mental and physical well-being, and the provision of goods, services and education for any of these purposes.
- Organizations without documented NGO designation.
- Entities that discriminate based on age, sex, gender identity, race, religion, national origin, sexual orientation/identification, or physical or mental disability.
- Political, labor, fraternal organizations, civic clubs or any organization whose primary purpose is to influence public policy or legislation.
- Institutions whose primary purpose is to advance a religious ideology and/or that require participation in religious study as a condition to receive benefits.
- Organizations intending to solely fund, sponsor, or underwrite specific events such as galas, sporting events, or 5K runs.
- Foundation will not support requests to fund employee salaries unless such salaries are affiliated with specific program funding explicitly stated within the request.
- Foundation will not financially support pilot programs, capital fundraising programs, or requests for items/ services that directly or indirectly support fundraising activities of an organization.
- Foundation will not consider applications from schools, except under extenuating circumstances.

The Foundation provides grants to charitable organizations and projects that are aligned with the Foundation's goals. The Foundation Board's decision are based on a number of factors, including eligibility criteria, available funds, and alignment with the Foundation's Mission.

Approvals or denials may occur at any point in the review process. All charitable contributions and in-kind support given will be at the sole discretion of the Board or its delegates acting in accordance with the mission of the Foundation.
